COUNCIL DECISION

of [...]

**on the signature of the Agreement between the European Union
and the Republic of Turkey on readmission of persons residing without authorisation**

EXPLANATORY MEMORANDUM

1. POLITICAL AND LEGAL FRAMEWORK

The negotiating directives for a European Community – Turkey readmission agreement were adopted by the Council on 28 November 2002. Negotiations were formally opened on 27 May 2005 in Brussels.

After first four negotiations rounds (fourth one on 7 December 2006), the negotiations restarted in 2009. A new draft text was prepared and transmitted to Turkey on 17 December 2009.

Three further formal negotiation rounds took place on 19 February (Ankara), 19 March (Ankara) and 17 May 2010 (Brussels). An additional meeting between the Chief negotiators was held on 14 January 2011 in Ankara. Those meetings brought the negotiations to the end at the level of Chief Negotiators.

The text was subject to the consultations on both sides. On the EU side, the outcome of the negotiations was endorsed by the Justice and Home Affairs (JHA) Council held on 24 February 2011. After further contacts with Turkey, the agreed text was initialled on 21 June 2012 in Brussels by the representatives of both Parties.

Member States have been regularly informed and consulted at all (informal and formal) stages of the readmission negotiations.

On the part of the Union, the legal basis for the Agreement is Article 79(3), in conjunction with Article 218 of Treaty on the Functioning of the European Union (TFEU).

The attached proposal constitutes the legal instrument for the signature of the readmission agreement. The Council will decide by qualified majority. The European Parliament's consent will be required for the conclusion of the Agreement, in accordance with Art. 218(6)(a) of TFEU.

2. OUTCOME OF THE NEGOTIATIONS

The Commission considers that the objectives set by the Council in its negotiating directives were attained and that the draft Readmission Agreement is acceptable to the Union.

The final content of it can be summarised as follows:

- The Agreement is divided into 8 sections with 25 articles altogether. It also contains 6 annexes, which form an integral part of it, and 6 joint declarations.
- The readmission obligations set out in the Agreement (Articles 3 - 6) are drawn up in a fully reciprocal way, comprising own nationals (Articles 3 and 5) as well as third country nationals and stateless persons (Articles 4 and 6).
- The obligation to readmit own nationals includes also former own nationals who have renounced or who have been deprived of their nationality without acquiring the nationality of another State.

- The readmission obligation with regard to own nationals covers also family members (i.e. spouses and minor unmarried children) regardless of their nationality and who do not have an independent right of residence in the Requesting State.
- The obligation to readmit third country nationals and stateless persons (Articles 3 and 5) is linked to the following prerequisites: (a) the person concerned holds, at the time of submission of the readmission application, a valid visa or residence permit issued by the requested State or (b) the person concerned holds a residence permit issued by the requested State (c) the person concerned illegally entered the territory of the requesting State coming directly from the territory of the requested State. Exempted from these obligations are persons in airside transit, all persons to whom the requesting State has issued a visa or residence permit before or after entry to its territory and all persons who enjoy a visa-free access to the territory of the Requesting State.
- The readmission obligation for third country nationals or stateless persons becomes applicable only three years after the entry into force of the whole agreement. During that period that obligation will be applicable to stateless persons and third country nationals coming from those third countries with which Turkey concluded readmission agreements. During the same period the bilateral agreements between Turkey and Member States remain applicable in the relevant parts (Article 24(3)).
- For own nationals, in case there is no consular office of Turkey in a Member State or in case of the expiry of specified time limits for issuance of travel documents, Turkey accepts its positive reply to the readmission application as sufficient travel document for the readmission of the person concerned. In the same cases for third country nationals or stateless persons, Turkey accepts the use of the EU's standard travel document for expulsion purposes (Articles 4(3) and 4(4)).
- Section III of the Agreement (Articles 7 to 14 in conjunction with annexes 1 to 5) contains the necessary technical provisions regarding the readmission procedure (readmission application, means of evidence, time limits, transfer modalities and modes of transportation) and 'readmission in error' (Article 13). Some procedural flexibility is provided by the fact that no readmission application will be needed in cases where the person to be readmitted is in possession of a valid travel document or identity card and, in case of third country nationals, valid visa or residence permit issued by the Requested State (Article 7(3)).
- In its Article 7(4), the Agreement sets out the so-called accelerated procedure, which has been agreed upon for persons apprehended in the "border region", i.e. an area within the Requesting State's territory extending inwards up to 20 kilometres from the external border of that State, whether or not the border is shared between the Requesting State and the Requested State as well as the sea ports including customs zones and international airports of the Requesting State. Under the accelerated procedure, readmission applications have to be submitted within 3 working days, and replies have to be given within 5 working days.
- Under the normal procedure, the time limit for replies to readmission applications is 25 calendar days except for the Requesting State which has a shorter initial detention period in the national legislation, in which case that shorter period will apply. The

initial period may be extended up to 60 calendar days except for the Requesting State with the maximum detention period of less or equal to 60 days.

- The Agreement contains a section on transit operations (Articles 14 and 15 in conj. with annex 6).
- Articles 16, 17 and 18 contain the necessary rules on costs, data protection and the relation to other International obligations and existing EU Directives. The agreement is without prejudice to other arrangements relating to areas other than readmission, such as voluntary return.
- The Joint Readmission Committee will be composed, and have the tasks and powers, as set out in Article 19.
- In order to execute this Agreement in practice, Article 20 creates the possibility for Turkey and individual Member States to conclude bilateral implementing Protocols. The relation between the bilateral implementing Protocols and this Agreement is clarified by Article 21.
- The final provisions (Articles 22 to 25) contain the necessary rules on entry into force, duration, technical assistance, termination and the legal status of the annexes to the agreement.
- The specific situation of Denmark is reflected in the preamble, Article 1(d), Article 22(2) and in a joint declaration attached to the Agreement. The close association of Norway, Iceland, Liechtenstein and Switzerland to the implementation, application and development of the Schengen *acquis* is likewise reflected in a joint declaration attached to the Agreement.

3. CONCLUSIONS

In the light of the above-mentioned results, the Commission proposes that the Council

- decide that the Agreement be signed on behalf of the Union and authorise the President of the Council to appoint the person(s) duly empowered to sign on behalf of the Union;

Where such *prima facie* evidence is presented, the Member States and Turkey shall deem the conditions to be established, unless following an investigation and within the time limits laid down in Article 11, the Requested State demonstrates otherwise.
3. The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A written statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide *prima facie* evidence of the unlawful entry, presence or residence.

Article 11

Time limits

1. The application for readmission must be submitted to the competent authority of the Requested State within a maximum of six months after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person who does not or who no longer, fulfil the conditions in force for entry, presence or residence.

If the third country national or the stateless person entered the territory of the Requesting State before the day on which Articles 4 and 6 become applicable pursuant to Article 24(3), the time limit mentioned in the previous sentence begins to run on the day on which Articles 4 and 6 become applicable.

Where there are legal or factual obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

2. A readmission application must be replied to in writing:
 - within five working days if the application has been made under the accelerated procedure (Article 7(4));
 - without undue delay, and in any event within a maximum of 25 calendar days in all other cases, except for cases for which the initial detention period in the national legislation of the Requesting State is less, in which case the latter period shall apply. Where there are legal or factual obstacles to the application being replied to in time, the time limit may, upon request and giving reasons, be extended up to 60 calendar days, except if the maximum detention period in the national legislation of the Requesting State is less than, or equal to, 60 days.

This time limit begins to run with the date of receipt of the readmission request. If there was no reply within this time limit, the transfer shall be deemed to have been agreed to.

Reply to a readmission application may be submitted by any means of communication including electronic ones e.g. faxes, e-mails etc.

3. After agreement has been given or, where appropriate, after expiry of the time limits laid down in Paragraph 2 of this Article, the person concerned shall be transferred within three months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or practical obstacles.
4. Reasons shall be given in writing for the refusal of a readmission request.

Article 12

Transfer modalities and modes of transportation

1. Without prejudice to Article 7(3), before returning a person, the competent authorities of the Requesting State shall notify in writing at least 48 hours in advance the competent authorities of the Requested State regarding the transfer date, the point of entry, possible escorts and other information relevant to the transfer.
2. Transportation may take place by air, land or sea. Return by air shall not be restricted to the use of the national carriers of Turkey or the Member States and

may take place by using scheduled or charter flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are authorised persons by Turkey or any Member State.

Article 13

Readmission in error

The Requesting State shall take back any person readmitted by the Requested State if it is established, within a period of three months after the transfer of the person concerned, that the requirements laid down in Articles 3 to 6 of this Agreement are not met.

In such cases, and with the exception of all transport costs of the person in question which shall be borne by the Requesting State as referred to in the previous Paragraph, the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

SECTION IV

TRANSIT OPERATIONS

Article 14

Transit principles

1. The Member States and Turkey should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.
2. Turkey shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if Turkey so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.
3. Transit can be refused by Turkey or a Member State:
 - (a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or
 - (b) if the third-country national or the stateless person shall be subject to criminal sanctions in the requested State or in another State of transit; or

- (c) on grounds of public health, domestic security, public order or other national interests of the Requested State.
4. Turkey or a Member State may revoke any authorisation issued if circumstances referred to in Paragraph 3 of this Article subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey through possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

Article 15

Transit procedure

1. An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:

 - (b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and – where possible – place of birth, nationality, language, type and number of travel document);
 - (c) envisaged point of entry, time of transfer and use of escorts;
 - (d) a declaration that in the view of the Requesting State the conditions pursuant to Article 14(2) are met, and that no reasons for a refusal pursuant to Article 14(3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

A transit application may be submitted by any means of communication including electronic ones e.g. facsimiles, e-mails etc.

2. The Requested State shall, within five working days after receipt of the application and in writing, inform the Requesting State of the admission, confirming the point of entry and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal. If there was no reply within five working days the transit shall be deemed to have been agreed to.

Reply to a transit application may be submitted by any means of communication including electronic ones e.g. facsimiles, e-mails etc.

3. If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.
4. The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

SECTION V

COSTS

Article 16

Transport and transit costs

Without prejudice to Article 23 and without prejudice to the right of the competent authorities to recover the costs associated with the readmission from the person to be readmitted including the persons referred to in Article 3(2) and 5(2) or third parties, all transport costs incurred in connection with readmission and transit operations pursuant to this Agreement as far as the border crossing point of the Requested State for requests under Sections I and II of the Agreement; or as far as the border of the State of final destination for requests under Section IV of the Agreement shall be borne by the Requesting State.

Joint Declaration on the cooperation in the area of visa policy

The Contracting Parties reinforce their cooperation in the area of visa policy and related areas, with a view to further promoting people to people contacts, starting with ensuring the efficient application of the judgment of the Court of Justice of the European Union issued on 19 February 2009 in case no C-228/06 Mehmet Soysal, Ibrahim Savatli v Germany and other relevant judgements on Turkish Service providers' rights based on the Additional Protocol of 23 November 1970 annexed to the Agreement establishing an Association between the European Economic Community and Turkey.

Joint Declaration on Article 7(1)

The Parties agree that in order to demonstrate "every effort to return a person referred to in Articles 4 and 6 directly to the country of origin", the Requesting State, while submitting a readmission application to the Requested State, should at the same time submit a readmission application also to the country of origin. The Requested State shall reply within the time limits mentioned in Article 11(2). The Requesting State informs the Requested State if a positive reply to the readmission application has been received from the country of origin in the meantime. In case where the country of origin of the person in question could not be determined and therefore a readmission application could not be submitted to the country of origin, the reasons of this situation should be stated in the readmission application which will be submitted to the Requested State.

Joint Declaration on technical assistance

Turkey and the European Union agree to intensify their cooperation to meet the common challenge of managing migration flows and to tackle irregular migration in particular. By doing so, Turkey and the European Union will express their commitment to international burden sharing, solidarity, joint responsibility and common understanding.

This cooperation will take into account geographical realities and build on Turkey's efforts as a negotiating candidate country. It will also take into account Council Decision 2008/157/EC of 18 February 2008 on the principles, priorities and conditions contained in the Accession Partnership with the Republic of Turkey and the 2008 National Programme of Turkey for the Adoption of the EU acquis, in which Turkey accepts and is prepared to implement the full EU acquis in this area upon accession to the European Union.

In this context, the European Union is committed to making available reinforced financial assistance in order to support Turkey in the implementation of this Agreement.

In doing so, attention will be paid in particular to institution and capacity building to enhance Turkey's capacity to prevent irregular migrants from entering, staying and exiting its territory, as well as its reception capacity for the intercepted irregular migrants. This could be achieved through, amongst others, purchase of border surveillance equipment, establishment of reception centres and border police structures, and support to training activities, in full respect of the current rules governing EU external assistance.

In order to support continued full and effective implementation of this Agreement, EU financial assistance, including a sector support programme in the area of integrated border management and migration, will be developed according to modalities to be defined together with the Turkish authorities and, beyond 2013, within and in accordance with the next EU financial perspectives.

Joint Declaration concerning Denmark

The Contracting Parties take note that this Agreement does not apply to the territory of the Kingdom of Denmark, nor to nationals of the Kingdom of Denmark. In such circumstances it is appropriate that Turkey and Denmark conclude a readmission agreement in the same terms as this Agreement.

Joint Declaration concerning Iceland and Norway

The Contracting Parties take note of the close relationship between the European Union and Iceland and Norway, particularly by virtue of the Agreement of 18 May 1999 concerning the association of these countries with the implementation, application and development of the Schengen acquis. In such circumstances it is appropriate that Turkey concludes a readmission agreement with Iceland and Norway in the same terms as this Agreement.

Joint Declaration concerning Switzerland

The Contracting Parties take note of the close relationship between the European Union and Switzerland, particularly by virtue of the Agreement concerning the association of Switzerland with the implementation, application and development of the Schengen acquis, which entered into force on 1 March 2008. In such circumstances it is appropriate that Turkey concludes a readmission agreement with Switzerland in the same terms as this Agreement.

Joint Declaration concerning the Principality of Liechtenstein

The Contracting Parties take note of the close relationship between the European Union and the Principality of Liechtenstein, particularly by virtue of the Agreement concerning the association of the Principality of Liechtenstein with the implementation, application and development of the Schengen acquis, which entered into force on 19 December 2011. In such circumstances it is appropriate that Turkey concludes a readmission agreement with the Principality of Liechtenstein in the same terms as this Agreement.
